AppSec US CONFERENCE Irvine, CA 2010

Introduction

OWASP Sponsorship Options AppSec US, CA 2010

Open Web Application Security Project (OWASP) is an open-source application security project made up of corporations, educational organizations, and individuals from around the world. Providing free, vendor-neutral, practical, cost-effective application security guidelines, the organization has fast become the defacto standards body for Web AppSec.

The OWASP AppSec US Conference is a premier gathering for Information Security leaders. Executives from Fortune 500 firms along with technical thought leaders, security architects and lead developers, gather to share cutting-edge ideas, initiatives and technology advancements.

OWASP events attract a worldwide audience interested in "what's next?" -- as an OWASP Conference sponsor, your brand will be included as an answer.

International Experts Share their Insights

OWASP Appsec Draws over 1000 Global Attendees

OWASP is providing sponsors **exclusive access** to its audience in Irvine, CA through a limited number of Expo floor slots, providing a focused setting for potential customers

Attendees will be pushed through the Expo floor for breakfast, lunch and coffee breaks giving them direct access to sponsors' booths and technology. The conference is expected to draw over 500 international attendees; all with budgets dedicated to web application security initiatives. Financial Services, Media, Pharmaceuticals, Government, Healthcare, Technology, and many other verticals will be represented.

Sponsorship opportunities are filling up rapidly. All proceeds from sponsorship support the conference and the mission of the OWASP Foundation (501c3 Not-For-Profit), driving funding for research grants, tools and documents, local chapters, and more.

All sponsorship opportunities feature significant discounts to **OWASP members**, allowing you year-round access the web application security's top thinkers as well as use of OWASP materials in product and service delivery.
